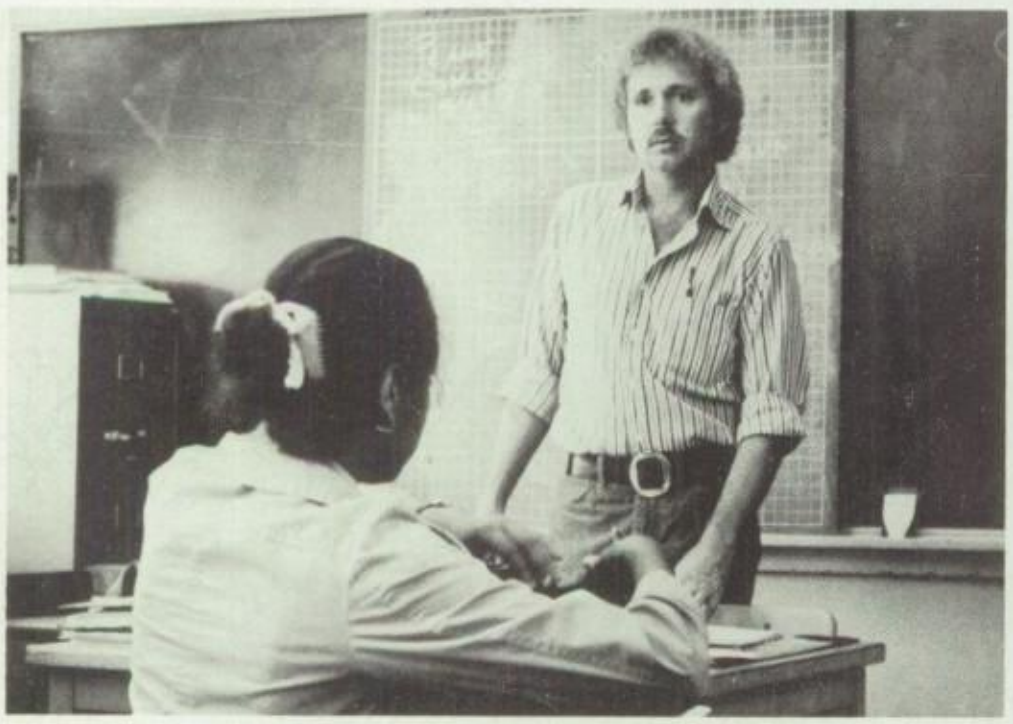
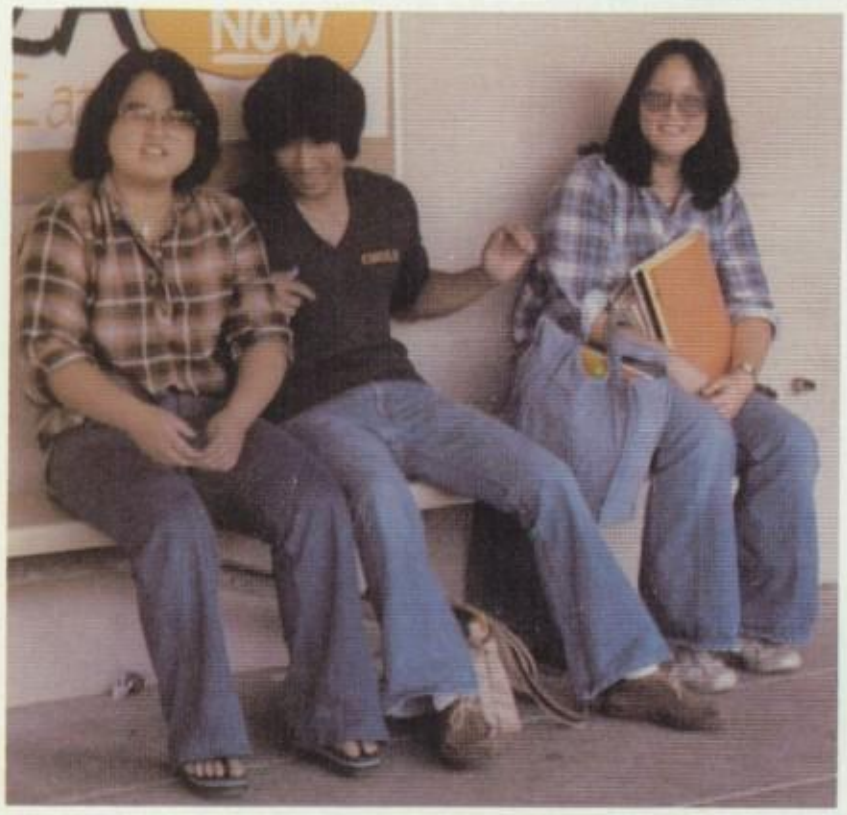
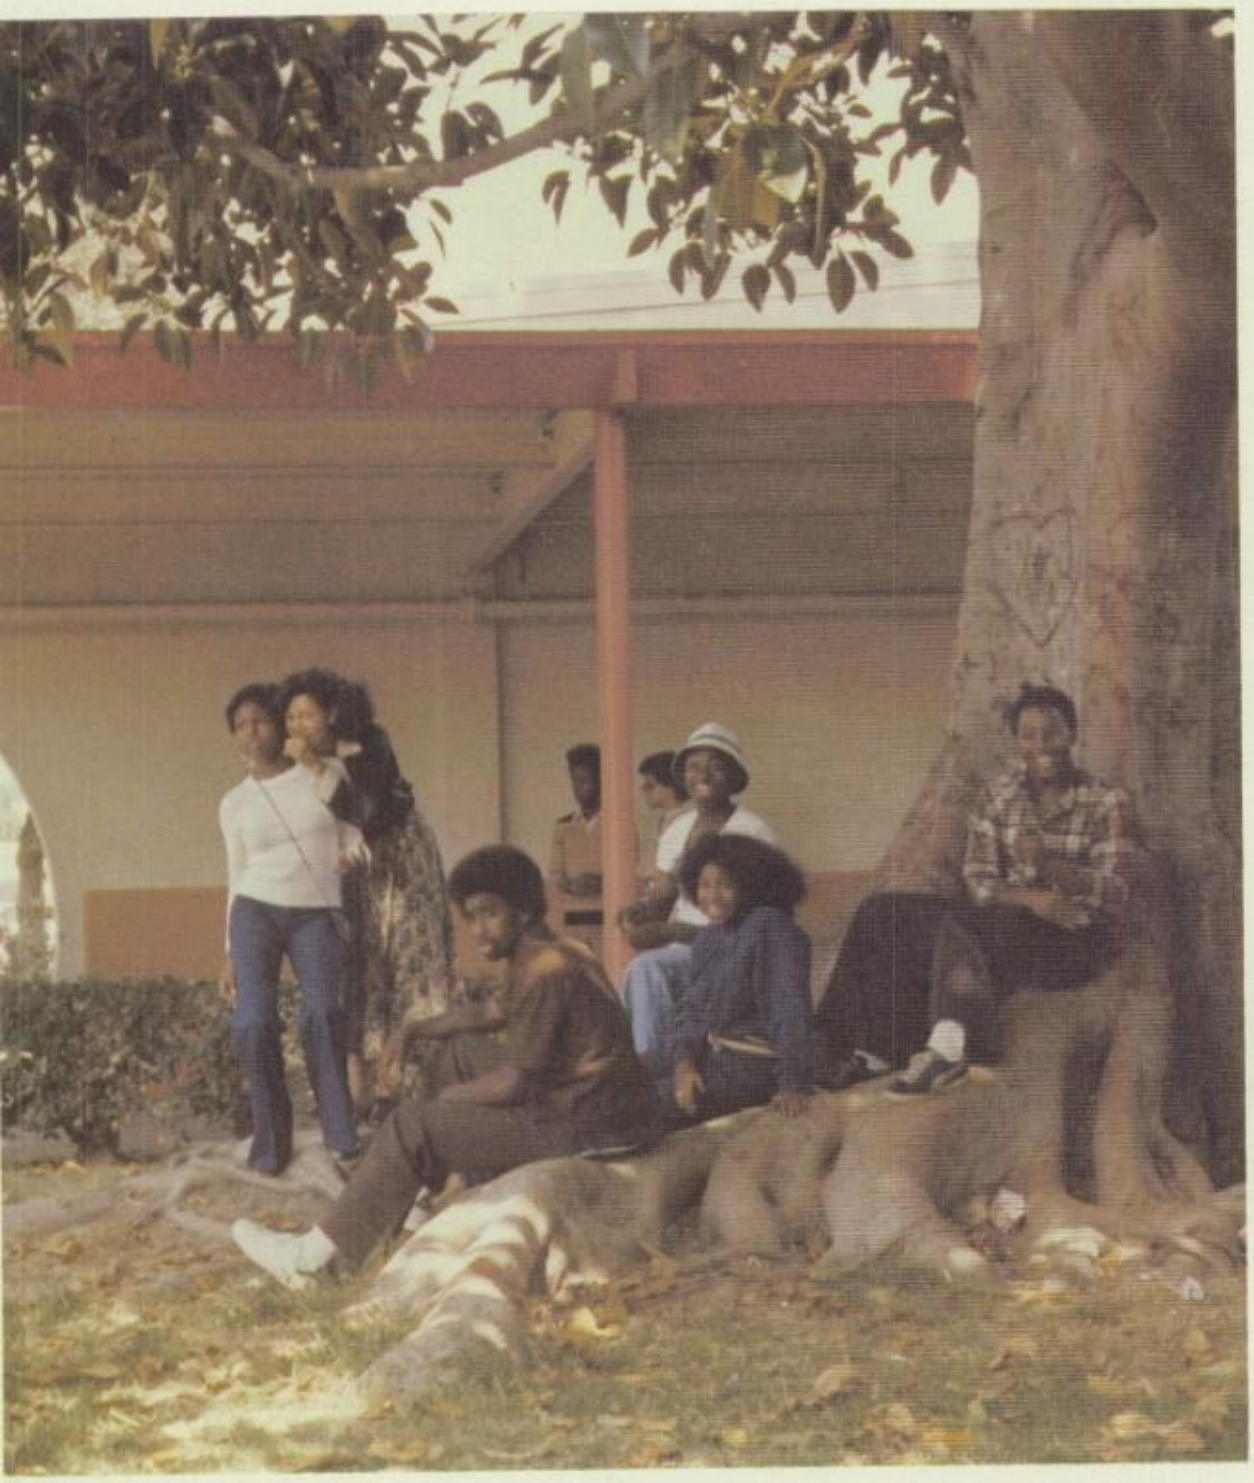
Changes. Every day we see changes. We grow, our lives become more involved, and our friends more dear. Much of this has taken place at Dorsey. Some of the changes may have been unwanted, but still they couldn't be stopped. No one can change fate or stop the hands of time. Time and change seem to go hand in hand because as the days go by the present becomes the past, and everything is affected and transformed into something new or different. There were many changes that took place here at Dorsey High, some that you will forget, and some that will stay with you always. . .





NOW

Somehow there seemed to be a transformation in the general atmosphere of the school. As the year wore on the students became more relaxed and unstrained. A feeling of belonging, of participation, and of being a part of the change seemed to prevail in the atmosphere. Dorsey students found it easier to make friends and enjoy the changes taking place.



There were changes in how we spent our time. In the classroom, we learned that hard work provided rewards. Outside of class we spent time with friends talking about our futures or just taking it easy.

Free time out of class was spent in numerous ways. Many of us spent our leisure time challenging others to a friendly game of backgammon. We took pictures of and around the school, or just did our own sort of thing. Since excess time was scarce, Dorsey students did a lot of their favorite things in order to relieve them of some of the anxieties of the classroom.

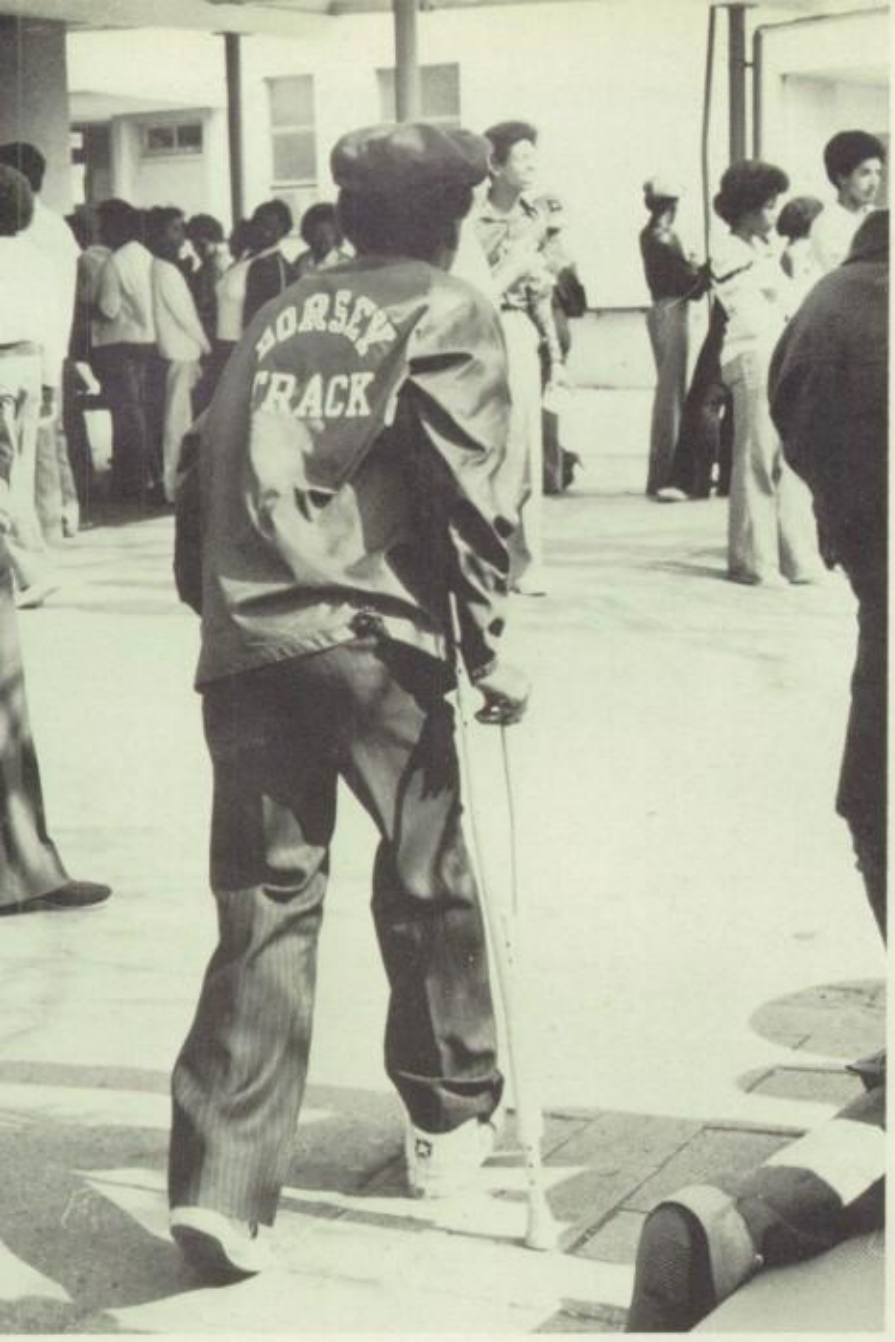
The ever-present Dorsey school spirit went through some changes during the school year. We learned to cheer along with the cheerleaders, to move to the beat of the band, and to give our all for Dorsey.

These are the ways which best express Dorsey's school spirit.



TRACK

As students we knew that the changes we faced today would some day help us in our future lives. We will be able to look back upon all our days at Dorsey High, with the knowledge that these changes molded us into individuals, ready to accept the changes and challenges of the future.

An aura of festivity reigned over Dorsey High during the gala Halloween Extravaganza, October 31, 1978. This fun-filled affair, sponsored annually by the Girls' Involvement Council was held in the Circle. Various clubs sponsoring fund-raisers such as the "Kissing Booth" and "Bubblegum Blowing" contest attracted large crowds while delectable baked confections caught the interests of others. A YEAR AT THE TOP

After a year of rebuilding, the football team had bright prospects. Displaying a brand of football rarely seen on the gridirons, the team of '78-'79 was determined to show their worth on the field. With superb coaching and spectacular performances from all the players, Dorsey had all the elements of a championship team. A winning combination of teamwork, enthusiasm, and school spirit gave the mighty Dons all they needed to take the Southern League title and later make their way to the city play-offs.

OVER HILL AND OVER DALE

A renewed interest in running this year brought many promising athletes to Coach Sherrard's call. Cross country running, a sport which requires swiftness and endurance in order to run the arduous two to three mile course, demands a great deal of dedication on the part of the individual. The team this year filled those shoes perfectly.

The cross country team ran a good hard race this season, led by outstanding runners like Deon Reid, Wayne Saito, and Kim Estis. Although the boys' teams were not able to put it all together at the league finals, the girls team did take second place in the league.

Dorsey put it all together with the desire to win, to excel, and to be the best in the Southern league. The Dons' almost impenetrable defense and their potent and explosive offensive attack was a devastating blow to their opponents.

As the new season opened, it looked like a promising year for the Girls' Tennis Team. However, even with all their talents, the competition was keen and tough and our girls were unable to hold their stand in the Western league. "JOIN A CLUB AND GET INVOLVED!"

Dorsey's annual Join-A-Club week was held from October 2nd through the 6th. This gave the new as well as the old Dorsey students a chance to get involved with the many various clubs here on campus. Sponsors of the clubs set up tables in the circle at lunch time for sign-ups. Some of the clubs that participated were Key Club, GIC, LDS, GLS, Aidantes, O's Club and V.I.C.A.

"T IS FOR TEACHER"

The Knights and Ladies decided that one fine bright and early morning would be a great time to pay tribute to the teachers here at Dorsey. So they proceeded to set aside an hour, solely for the teachers, that they called "T Is for Teacher". During the hour, the Knights and Ladies were able to express their gratitude to the teachers as well as get to know the new as well as the old teachers too.

"A WOMAN'S PLACE IS EVERYWHERE"

Girls' Week, sponsored annually by the Girls' Involvement Council and celebrated throughout the United States, took place the week of November 13, 1978. The week's activities consisted of a "Kick Off" Assembly with guest speaker Diane Watson, Girls' Day in the Community, a Picnic in the Circle and "The Excitement of Competition" — a sports assembly sponsored by the Girls' Letterwomen Society. The week's theme was "A Woman's Place Is Everywhere".

HALLOWEEN EXTRAVAGANZA

Dorsey held its 5th annual Halloween Extravaganza on Tuesday, October 31, 1978. Many clubs sponsored booths with different games and activities such as the dime toss, basketball throw, and a kissing booth. There were beverages like the famous Witches Brew and goodies from the Pep Club. This year's Extravaganza was a howling success.

GERITOL BOWL

On December 4, 1978 some male members of the Senior Class confidently challenged a bunch of old run-down faculty members in a serious game of flag football. The anguished look of the Seniors told the whole story. The winning play for the faculty team came when assistant "B" Coach David Arnold, a former all city receiver for the Dons in 1972 caught a pass thrown by Coach Wein.

"THE PRICELESS MOMENTS'

The priceless moment finally rolled around Friday, November 17th. This was the day all old and new Dorsey Dons and Donnas gathered together to celebrate Homecoming. The day started out with the selling of balloons by GIC and continued with the excitement of a pep rally lead by our Cheerleaders. The entire Homecoming activity concluded with a fun disco dance at the Alexandria Hotel the next night. This was a wonderful way to conclude our annual festivity.

HOMECOMING 1978

Most students will remember Dorsey's victorious Homecoming game as a climax to an eventful day. The day began with a Student Council Exchange featuring Fremont's Student Council and Dorsey's Student Council along with the cheerleaders and football captains from both schools. The day continued with a lunch-time pep rally, a reception honoring the Homecoming Court sponsored by GIC, and a Student Council sponsored Treasure Hunt. When night finally did arrive Homecoming activities moved from Dorsey to Jackie Robinson Stadium. A pre-game parade included a Homecoming float, Band and Drill Team, ROTC, Junior and Senior class cheerleaders, Varsity and Bee cheerleaders, VICA, and members of the Homecoming Court. The highlight of the entire day was of course the exciting Homecoming game.

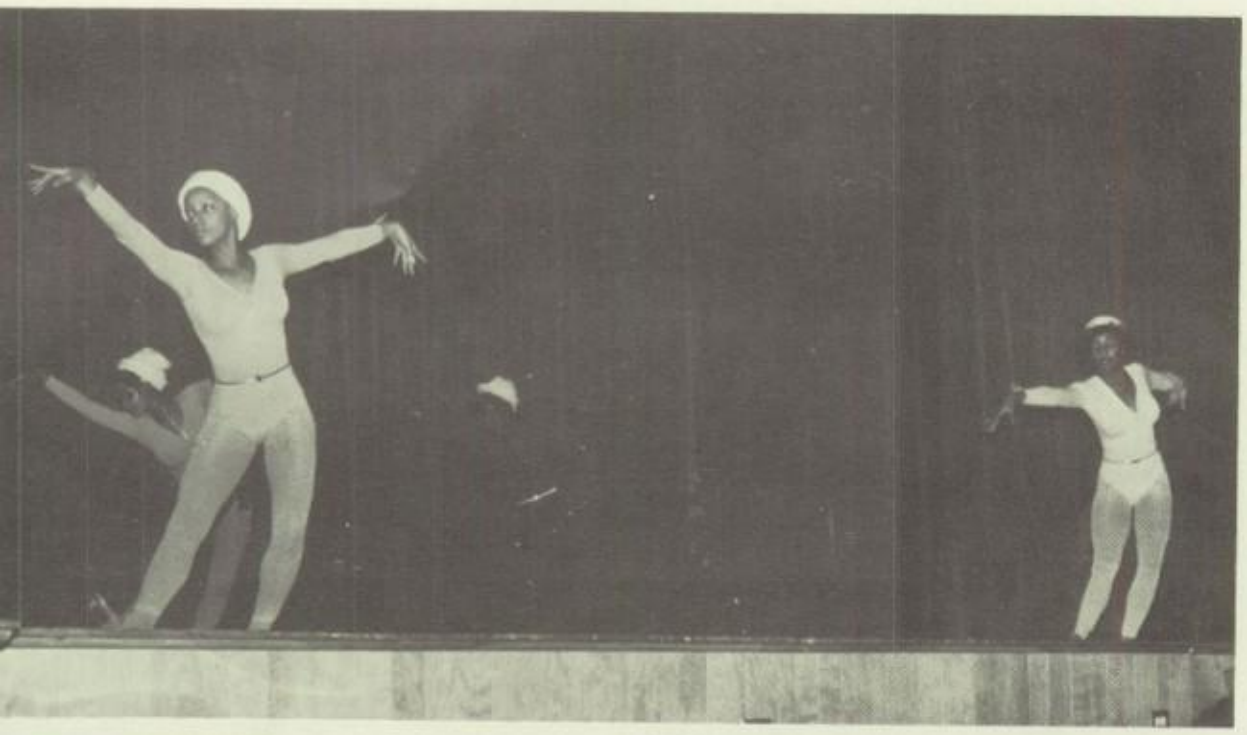
CHRISTMAS MUSIC ASSEMBLY



To help bring in the yuletide spirit, Dorsey's Fine Arts department held a holiday music assembly. Entertainment for this event was provided by Dance Performance, the Concert Band, the Chamber Singers, and Dorsey's Choir. The assembly was highlighted by a special rendition of Santa and her elves by Dance Performance.

HONORING DORSEY'S CHAMPIONS

On December 8, 1978, Dorsey held a pep rally honoring the achievements of its Football and Girls' Basketball teams. Dorsey's Football team captured the Southern League title and continued playoff competition until they were defeated in the city semi-finals by Wilson High. Dorsey's Football team finished as one of the top four teams in Los Angeles. The Girls' Varsity Basketball team captured the Western League title and competed in the city playoffs before losing a close semi-final match against Jefferson High. The Girls' Varsity Basketball team finished their season as the third best team in Los Angeles.

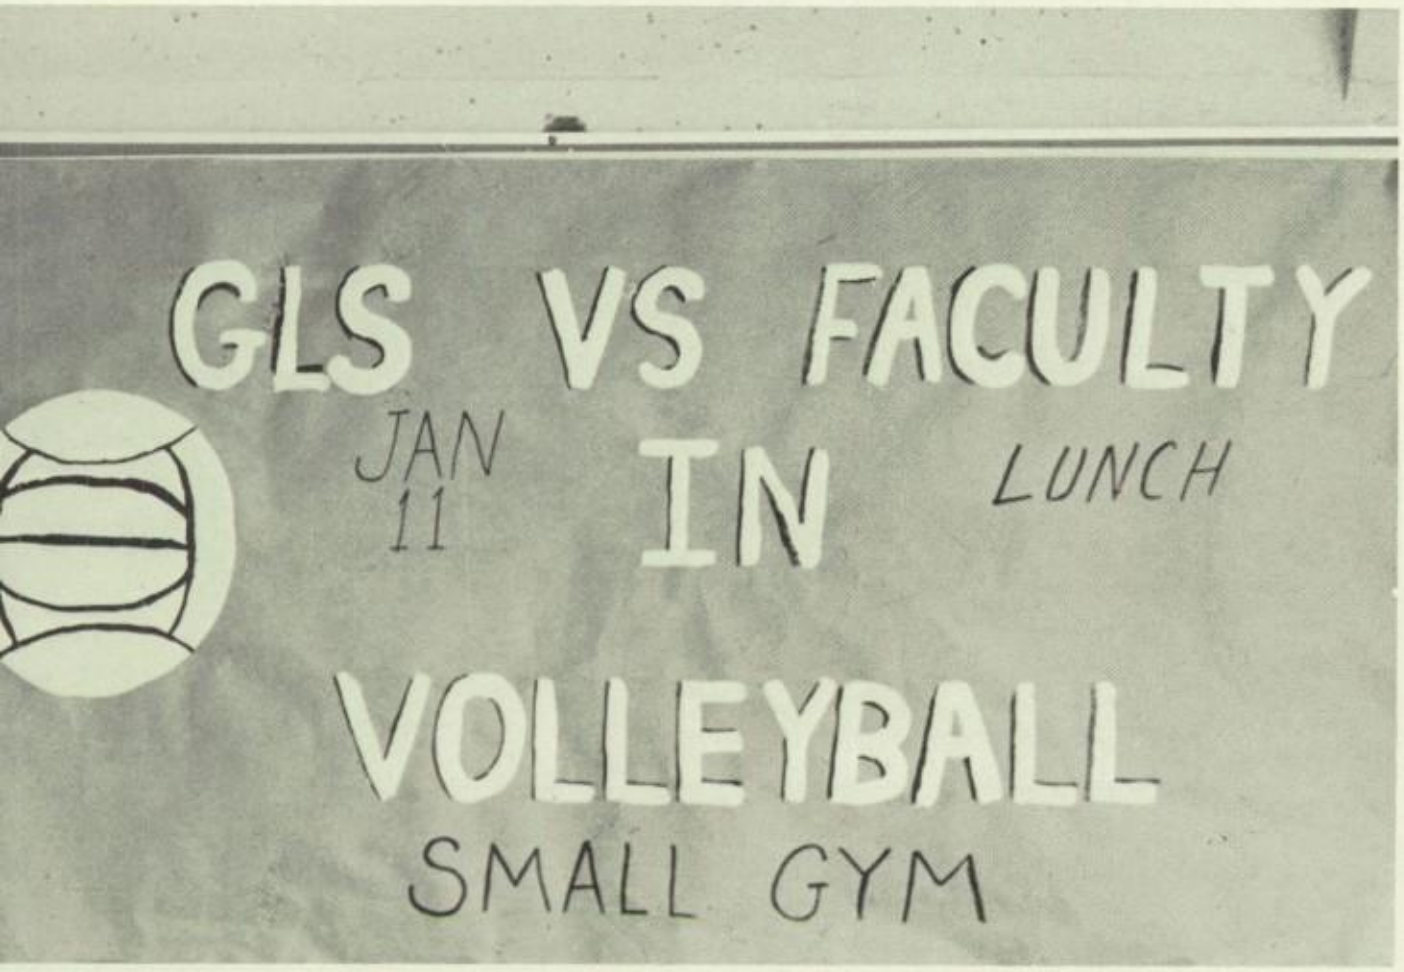
GLS VS. FACULTY IN VOLLEYBALL



On Thursday, January 12, 1979, the Girls' Letterwoman Society met with some members of faculty for a friendly game of volleyball. Faculty, with the help of some deadly spikes from Mr. Saunders and Mr. Klewitz, won the first game 7-15. Though defeated in the first game, GLS came back strong to win the second game 15-13 with great teamwork.

"AN EVE WITH LES CHOISIS'

An "Eve with Les Choisis" and Knights and Ladies was a night to remember. The dance, held at the Mirimar Sheraton Hotel, was attended by many members of the Dorsey Student Body. The dance was dee-jayed by the "Shell" who kept the attending students rockin' all through the night. Unfortunately the evening had to end, but not without the memories of it still lingering in the hearts of all who attended.

A TRIBUTE TO DR. KING

This was a day we gathered together to pay tribute to one of the great men of our time, Dr. Martin Luther King, Jr. The assembly was rendered to us by the wonderful voices of the Hollenbeck Choir, under the direction of Mr. Virgil Patterson. We were also hypnotized by the wonderful voices of the famous Patterson Trio. The assembly concluded with two guest speakers who payed tributes to the great Dr. King through his speeches.

"BACK IN TIME"

Imagine yourself in another time. A time in which styles, moods, and clothing were totally different from today. Have you ever wanted to relive an era? Well, Dorsey students had a chance! This year the Girls' Involvement Council's Annual Service Round-up took place February 2 from 3:30-5:00 pm in the Small Gym. The theme this year was "Back in Time" and it gave Dorsey's Service Clubs an opportunity to relive the Stone Age, the days of the Roman Empire, the Roaring Twenties and the Psychedelic 60's to name a few. This activity included club competition, games, music, a pot luck dinner and most of all a GOOD TIME!!!

Top Right: "Isn't he cute! Maybe he'll ask me to dance." *Middle Left:* Katy, Byran, Nancy, and Joyce helping themselves to the pot luck dinner. *Middle Right:* "Oh no not this wild story again!" *Bottom Left:* "Now the object of this game is to keep the ball on the spoon, touch the wall, come back and tag Lorrie. SENIOR CLASS PRESENTS "THE GONG SHOW"

The senior Steering committee gathered together all the unusual talent they could find around school to present to us the annual Senior Class "Gong Show". The "Gong Show" proved to be a night to remember. Some of the acts in the show were a talking lunch bag, some dancing toys, and a bunch of singing and dancing football and baseball players. The entire show proved to be an overall success. Although there was only one winner, Robert McMillan, each and every person was a winner in his or her own way.

"Happiness is having a friend like you!" was just one of the many Valentine Gram sentiments students and teachers chose to send on February 14. Knights and Ladies sponsored this annual event and orders for these Valentine Grams were taken on the Circle Stage February 6-9 at lunch. On the awaited day, during first period charming red hearts with flowers and suckers were delivered by the Knights and Ladies to lucky recipients.

The Ephebian Society is comprised of the top students of the graduating class who have proven themselves through service, demonstrated outstanding character, leadership and high scholastic achievement with at least a 3.0 grade point average. Ephebians are chosen by the faculty and senior class.

Ephebic Oath

"We will never bring disgrace to this our City by any act of dishonesty or cowardice, nor ever desert our suffering comrades in the ranks; we will fight for the ideals and sacred things of the City, both alone and with many; we will revere and obey the City's laws and do our best to incite a like respect in those above us who are prone to annul or set them at naught; we will strive unceasingly to quicken the public sense of civic duty. Thus, in all these ways, we will transmit this City not only not less but far greater and more beautiful than it was transmitted to us."

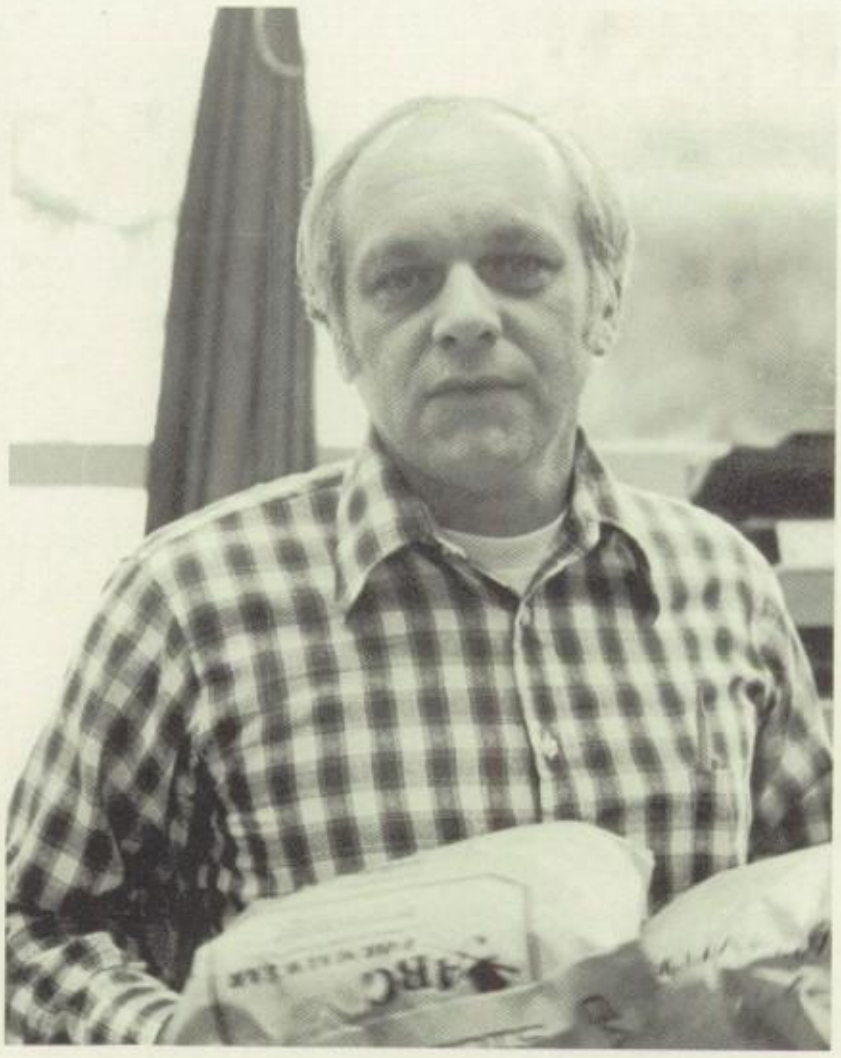
WANTED

by the Circle '79 Staff



PETER W. TOREK

For committing the following offenses:

— For showing his understanding, patience, and dedication

— For giving guidance and aid when asked

And — For devoting endless hours of his precious time to a bunch of "misfits" which he allegedly tolerated and organized into a yearbook staff for the past year to produce a controversial publication, the Circle '79.

REWARD:

If you should happen to come across this man, you will find not only a dedicated art teacher, but also a good friend.

Mr. Willard Love, Assistant Principal;
Mrs. Joan Elam, Assistant Principal;
Mr. Morris Denton, Administrative Dean;

Mr. Harry Fitch and the entire gang over at Roberts' Photography;

And last but not least, the entire student body and faculty of Susan Miller Dorsey High whose cooperation and support made this yearbook possible.

To Teen,

A very nice person. Even though we've had plenty of arguements and misunderstandings we're still good friends. When I go off to college don't forget me, I won't forget you. Keep in touch during the next few years. Good Luck.

Friends Always

P.S.

If you wrote something weird in my book, you'd better get out of town and fast.
